HARSH CHOUDHARY

Bengaluru, KA, India | (+91) 7879147628 | harshc.2802@gmail.com | linkedin.com/in/harshchoudhary54/

EXECUTIVE SUMMARY

Investor with 5+ years across Venture Capital (Kalaari Capital, Indian Angel Network) and Consulting (Grant Thornton). Experienced in evaluating investments and driving strategic initiatives in SaaS, AI, Gaming, and broader tech sectors. Worked directly with founders and C-suite leaders on AOP formulation, portfolio management, MIS analysis, strategic partnerships, and downstream fundraising. Skilled in financial modeling, investment analysis, market research, and cross-functional project management.

PROFESSIONAL EXPERIENCE

STEALTH | Founder

05/2024 - 09/2026 | Bengaluru, KA

Agentic workspace platform for small teams and venture investors.

Led 0-to-1 product discovery, engineering, and User / customer validation for an AI-native workspace built for early-stage founders and investors. Personally architected and shipped the prototype, turning qualitative user research and workflow bottlenecks from target ICPs into rapid feature iterations before shifting focus away from the project.

KALAARI CAPITAL | Investment Team Fellow

01/2024 - 01/2026 | Bengaluru, KA

Key Member of Investment team & Portfolio Operations team covering Enterprise SaaS, AI Tools/Infrastructure, and Gaming.

- **Sourcing & Deal Diligence:** Evaluated **500+ companies**, led operational and financial due diligence for **11 startups** presented to Investment Committee (IC), and executed **3 venture investments (Vertical SaaS, Gaming, AI Tools).**
- **Portfolio Management:** Collaborated directly with portfolio CEOs and leadership teams of **5 portfolio companies** to architect Annual Operating Plans (AOP), attended board meetings, and helped establish department-level OKRs, resource allocation roadmaps, and monthly performance benchmarks.
- **Downstream Fundraising & Investor Governance:** Managed end-to-end fundraising support for portfolio startups by building comprehensive financial models, curating investor data rooms, and structuring pitch decks and company positioning to streamline diligence for follow-on institutional rounds.
- **Commercial Partnerships & GTM Expansion:** Researched and identified strategic partnerships for portfolio companies, brokered **5 strategic partnerships** for a Vertical SaaS portco. Spearheaded a portco benefits program, secured **7 ecosystem partnerships**, and managed relationships with incubators, accelerators, and downstream investors across the Delhi-NCR region.
- **Operational Reporting & Business Intelligence:** Overhauled portfolio health tracking & MIS reporting by creating standardized automated reporting templates and executive dashboards for firm Partners, tracking company financials & runway across active portfolio companies.
- **Community & Internal Communications:** Set up the firm's internal Slack workspace, established dedicated channels between portfolio founders and partners, and curated peer channels among founders to drive cross-company knowledge sharing and community engagement.
- **Research & Thought Leadership:** Spearheaded proprietary research and authored high-impact investment theses on AI Agents, Service-as-a-Software, and Hybrid-Casual Gaming, and authored **2 published industry reports** and **3 content pieces with 10k+ cumulative views**.

INDIAN ANGEL NETWORK (IAN) | Senior Associate- Investments

04/2022 - 12/2023 | New Delhi, India

Managed operational execution across early-stage deal pipelines spanning Enterprise SaaS, Fintech, Healthtech, and Deeptech.

- **Investments & Diligence:** Directed operational, financial, and legal due diligence for **10+ early-stage deals** with an **84% conversion rate from screening to Investment Committee**; spearheaded **2 executed investments in AI SaaS and Healthtech**.
- **Pipeline Management & Stakeholder Alignment:** Managed operational workflow for **~33% of network deal flow (>1,500 opportunities evaluated)**; unified communication among 50+ lead angel investors, founders, external diligence partners, and legal counsels to accelerate closing cycles.
- **Process Architecture & Team Leadership:** Ideated, launched, and scaled an institutional cohort-based internship program, and hired, onboarded, and managed **6+ interns** every month, establishing standardized operational SOPs that **expanded screening throughput by 40%**.
- **Portfolio Demo Days & Investor Summits:** Curated and executed flagship portfolio demo showcases, bridging 20+ portfolio founders with institutional venture funds, and family offices.

GRANT THORNTON BHARAT | **Senior Associate - Strategic Risk & Operations Advisory** *08/2020 - 03/2022 | New Delhi, India*

- **Process Engineering & SOP Formulation:** Led client-facing strategic advisory engagements designing and implementing Standard Operating Procedures (SOPs), Root Cause Analyses (RCA), and governance frameworks for a sovereign investment fund, a public media conglomerate, and a credit rating agency.
- **Operational Controls & Risk Analytics:** Led audit engagements of complex cross-departmental operations and Internal Financial Controls (IFC), uncovering systemic process inefficiencies and introducing data-backed corrective actions that strengthened organizational risk governance by >25%.
- **Executive & Board Reporting:** Synthesized multi-source operational metrics into high-level analytical reports presented directly to Client C-Suites and Board Audit Committees to steer executive decision-making.

EDUCATION & ACADEMIC LEADERSHIP

SHAHEED SUKHDEV COLLEGE OF BUSINESS STUDIES (SSCBS), UNIVERSITY OF DELHI *2017 - 2020*

Bachelor of Business Administration in Finance & Investment Analysis (BBA-FIA)

- **Case Competitions & Honors:** National Finalist across 20+ business case competitions with 7 podium finishes
- **Extracurriculars: Founding member - Nucleus** (Statistics & Analytics Society) **&** Alumni Cell (SSCBS). Volunteer - Connecting Dreams Foundation.
- **Internships:** Summer Internships at Cushman & Wakefield (Commercial Real Estate - received Letter of Recommendation) and Finception / Ditto Insurance & Finshots (Equity Research Intern).

Portfolio, Projects, Skills

- **Projects:**

  Founder Outreach & Personal CRM Tool: Engineered a full-stack Chrome extension and CRM platform using React, TypeScript, Next.js, and Supabase to streamline VC sourcing and lead management. Architected a network-interceptor web scraper and automated Gmail workflows to scale founder outreach and eliminate manual prospecting bottlenecks.
- **Skills:** Financial Modeling & Analysis, Cap Table & Dilution Modeling, Unit Economics Analysis, Budgeting & Annual Operating Plans Formulation (AOP), OKR & KPI Tracking, GTM Research, Equity Research.
- **Execution & Productivity Stack:** Notion, Slack, Codex, Antigravity, MS Office Suite, R & SQL Data Analytics fundamentals.
